

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1 (currently amended): A method for scenting a toilet paper roll comprising the steps of:

providing a tubular toilet paper roll core made of an absorbent material,

applying a liquid scent to the toilet paper roll core,

disposing toilet paper onto the ~~roll~~core to form a toilet paper roll, and

wrapping the toilet paper roll substantially air tight with a material impervious to the scent, thereby scenting the toilet paper roll.

2 (currently amended): A method for diffusing a pleasing scent to a bathroom when it is needed comprising the steps of:

providing a roll of toilet paper having a scented ~~roll~~core, and

unrolling at least a portion of the toilet paper at the time of use to expose the toilet paper to the bathroom air, thereby freshening the bathroom air when it is needed.

3 (currently amended): The method of claim 2, the step of providing a roll of toilet paper having a scented ~~roll~~core comprising the steps of:

providing a tubular toilet paper roll core made of an absorbent material,

applying a liquid scent to the toilet paper roll,

disposing toilet paper onto the roll core to form a toilet paper roll, and
wrapping the toilet paper roll substantially air tight with a material impervious
to the scent, thereby scenting the toilet paper roll.

4 (original): The product made by the process of claim 3.

5 (currently amended): A scented toilet paper roll comprising:

a tubular roll core made of a material capable of absorbing a scent;
a liquid scent capable of being absorbed by the tubular roll core;
toilet paper disposed on the tubular roll core; and
an air tight wrapping wrapped around the toilet paper, roll, core, and scent,
whereby the scent absorbed by the roll is diffused through the toilet paper while
wrapped by the wrapping.
